## District Tax To Finance Survey In Donner Area

### New Water System Cost Is Estimated At About $61,000

The directors of the Truckee Public Utility District have voted to place a tax of five cents per $100 assessed valuation on the property in the recently annexed Donner Lake area. This tax is for the purpose of covering the cost incidental to the annexation proceedings and the cost of the engineer's report.

L. Cedric Macabee, Palo Alto engineer, has been hired to investigate and render a report on a water system for the Donner Lake area. The expense of this preliminary report will be $1200 and a final detailed report will bring this amount to around $3600.

The tentative figure the engineer submitted for a system to supply the west end of the lake with water is $61,000.

The method of financing this project has not yet been decided upon. The Donner Lake Company, through their representative, Lee Nisbet of the Armstrong Realty Company, stated at a recent utility board meeting that the company favored doing the work themselves, according to the engineer's plans. This, he felt, would save the company considerable, as the work could be done a little each year, as needed, until completed.

The directors of the utility district favor having the work completed in one job before the district takes over the operation. Further action has been laid over pending the next meeting with the engineer.

The board passed a resolution authorizing Manager C. Edmunds to make an application to the Community Facilities Services of the federal government for an advance loan of $3600 to cover the cost of the engineer's plans. This amount is repayable as soon as work is started on the project.

## Alvah Hooper Asks Reelection

Announcement was made this week by Alvah Hooper, incumbent coroner of Nevada County, that he would seek reelection at the primary election on June 6.

Hooper, whose experience as a mortician has a background of lifelong work, is one of the county's most well known morticians and funeral directors.

For some time he has been associated with the Myers Grass Valley Mortuary. He is also a partner with N. F. Dolley in the Truckee Colonial Mortuary.

The candidate for reelection has served two consecutive terms as Nevada County coroner and has given the exacting duties of the office full and undivided attention. The matter of extensive reports, so exactingly required by the state offices, have been fully and capably handled by Hooper and in instances of unnatural death wherein jurisdiction of the law enforcement officers is of first

## Swimming Party Marks Local Girl's Birthdate

Miss Mary Ann Tonini was hostess Friday, March 10, at a surprise party, marking the 14th birthdate of her friend, Miss Alberta Cooper. Refreshments were served at the home of the hostess, after which the group went to Reno for a swimming session at the Moana pool. Also sharing the celebration were Gertrude Waters, Ginger and Shari Reynolds, Bobby Tonini, Willard and Howard Painter and Floyd Cooper.

## Box Social on Agenda of Pythian Sisters Here

The Pythian Sisters of Summit Temple No. 79 have started plans for a box lunch social to be given in the near future. Also, plans are being made for an initiation. Following the regular meeting on Thursday night, March 23, there will be practice and all members of the degree staff are urged to be present.

## Tobiassen Recall Is Object of Petitioners

A petition demanding the recall of Supervisor Carl Tobiassen began circulation late Saturday in the Nevada City area. The petition is being circulated by a group headed by Walter Woods. The petition must have 483 valid signatures to put the matter to a vote by the people of that district.

## Last Rites For John Franklin Are Held Here

### Native of Tennessee Had Lived in This Area 30 Years

Funeral services were held at the Truckee Colonial Mortuary yesterday afternoon at 2 o'clock for John Franklin, 61, who died at his home on the Truckee River Sunday morning following a stroke. Interment was in the Truckee Cemetery.

The services were conducted by the Christian Science Church.

Franklin had been caretaker for Mrs. George C. Walker's property on the Truckee River for the past 25 years and was widely and favorably known here.

A native of Sparta, Tennessee, Franklin was born September 22, 1889. He came to Truckee 30 years ago and for a time was employed here before accepting the position with the Walkers.

The deceased is thought to have had sisters in Tennessee but efforts to locate them have not brought results.

## MELODRAMA CAST IS REVEALED FOR SCHOOL CARNIVAL

A "Gay Nineties" play, complete with sinister villain and a pair of snow-pure lovers, will be one of the features of the high school carnival to be presented at the Capitol Hall on March 25. Jim Morhain will play the villain with Donna Speeter and Don Fitzgerald as the harrassed lovers. Other members of the cast are Ned Stuart, Collette Morhain, Lois Preston, Cynthia Lynn, JoAnn Hartley and Steve Port.

Following the play there will be a short musical review. Songs and dances will be performed by Cynthia Lynn, Margi Hocker, Barbara Parr, Barbara Marthaller, Dorene Quam, Dale Stricklin, Blodwyn Tiffee, Collette Morhain, Toni Street, Fred Holt and Irvin Rosenblatt.

The review will be accompanied by the "Gay Nineties" band, members of which are Mike O'Rourke, Norman King, Simon Dominguez, Ned Stuart and Jim Morhain.

The play and review will be followed by a combined carnival and dance. Some of the dance music will be furnished by the high school dance band.

## NEED VOLUNTEERS TO WORK SUNDAY ON CHAMBER SIGN

At the last meeting of the Truckee Chamber of Commerce, the sign committee was directed to go ahead with the erection of the new roadside sign at the west approach to town. A volunteer work party is being recruited for Sunday, March 19, to start the work. All those willing to help are asked to meet at the Ellis Brothers' Shell service at 1 p.m. Sunday.

The aviation committee was instructed to study the correspondence and plans of the proposed airport on the Brockway Road and report. A publicity committee was appointed, composed of Reg Smart, Cliff Ellis and Earl Stice.

Discussion on a new office site and larger meeting place took place but no decision was reached.

The next meeting will be held tonight at 7:30 o'clock in the chamber office.

**BREAKS LEG**

Dr. Clark Mosgrove of Fresno suffered a serious fracture of his right leg Tuesday while skiing at Squaw Valley. He was treated by Dr. L. D. Nelson of Truckee and then taken to a Reno hospital by the Truckee ambulance.

**From San Francisco—**

Mrs. Vira Preston of San Francisco was a visitor at the home of her son and daughter-in-law, Mr. and Mrs. Wm. Preston last week.

**Have New Daughter—**

A daughter was born in Reno on Wednesday, March 8, to Mr. and Mrs. Charles Stevens of Truckee.

## Attorney General Howser To Address Joint Meeting Of Rotary Monday Night

The Truckee, Grass Valley and Nevada City Rotary Clubs will hold a joint meeting at Nyack Lodge Monday, March 20, with Truckee being the host club, for the purpose of hearing an address by Attorney General Fred N. Howser entitled "The Justice Department."

With H. John Ciardella, George Raddue and Marvin Shock, presidents of the respective clubs, guaranteeing a full attendance, it is expected that over 100 Rotarians will be present for the occasion. The Truckee club has chartered a bus for the purpose of picking up its various members between Truckee and Nyack Lodge.

District Governor Steve Lombard of North Sacramento is expected to attend. According to Jim Sherritt, program chairman of the Truckee club, the meeting will start at 7 p.m.

For six years Howser was deputy city prosecutor of Long Beach. He served two terms in the state assembly, resigning in 1943 to become district attorney of Los Angeles County. He was elected attorney general of California in 1946. As attorney general, he is chief law enforcement officer of the state and is head of the California Department of Justice.

## Tamblyn Seeks Assessor Office

Phil G. Scadden, the courteous and cooperative assessor of Nevada County for eight years and a deputy in the office for five years before, this week announced he will not be a candidate for reelection at the June 6 primary.

Simultaneously William (Bill) Tamblyn, who is Scadden's chief deputy in the county assessor's office, filed nomination papers as a candidate for the office.

Scadden has had a long career in public service. He has served as city councilman and school board member in Nevada City. He is an ardent fraternalist and recently was honored as one of the outstanding members of the Elks organization in his home town.

Tamblyn, whose association in the assessor's office has matched the eight years Scadden has served as assessor, is adequately qualified and thoroughly trained for the position to which he aspires.

## Schleuters Return from Extended Vacation

Mr. and Mrs. Theodore Schleuter of Lake Tahoe returned this week from a five months vacation, including a 24 days' cruise in the Hawaiian Islands, they having made the trip over on the ocean liner with Mr. and Mrs. Clark Gable. The Schleuters flew to the surrounding islands. Upon their return to the mainland they traveled to Mexico, then up the coast to Ukiah, and visited relatives in the Modesto district.

**Goes to Hospital—**

Mr. and Mrs. Robert Seibold left yesterday for San Francisco where the former will enter a hospital tomorrow for a major abdominal operation.

**To County Seat—**

Wm. F. Curran and E. E. Boehm were business visitors to Nevada City last week.

**Returns Home—**

Mrs. Elden Tonini returned home on Sunday from Woodland where she has been visiting Mr. and Mrs. Clair Goode while recuperating from an operation.

## Remove Landmark To Pave Way For Modern Structure

Another step in the progress of Truckee was being taken this week when carpenters began demolishing one of the three remaining old store front canopies on the main street to make way for a modern front.

Mr. and Mrs. Nace Firpo have engaged Contractor Jack Wolert to remove the old structure and erect the new front at Cabona's store.

Plans call for installation of a recessed store front to be constructed of modernistic brick and plate glass, one single entrance leading into the store and a side door to provide outside access to the apartment on the second floor.

At one time, some 50 years or more ago, all the business fronts along the main street were sheltered by the wooden canopies, extending to the edge of the sidewalks, the design providing a semi-tunnel the full length of the business section. One by one they were removed for one reason or another until only two now remain—the one in front of the Masonic building and the second at Rasco and plans are being made to remove the former in the near future.

The new front for Cabona's will add materially to the modernizing of the main street, which even now can boast more modern stores than most towns many times the size of Truckee.

## TRUCKEE TEAM TO TOURNAMENT MARCH 24, 25, 26

The Truckee American Legion basketball team played and won its last game of the season here, dropping Reno's Harlem Butterfles 79 to 60.

From now until March 24, the squad will hold several practices in preparation for the Andy Millich Tournament at Lovelock on March 24, 25 and 26. This is Truckee's third year in the tournament, receiving the bid by virtue of a record of 26 wins in 31 starts this season.

Forward Al Wakefield sparked the victors, making 24 points last night while Murphy sank 18 for the visitors.

Saturday night, the locals topped a Martinez squad 47 to 44. Wakefield with 14 and Flynn with 13 were high scorers. DeMonner made 11 for Martinez.

**IMPROVES STORE**

Among other improvements being made in local business establishments is the enlarging of the prescription department and store rooms at Loynd's Truckee Drug.

## Sun Beams

by Walter M. Barrett

In the interest of better government, this newspaper is taking no issue in the recall movement against Supervisor C. J. Tobiassen of Nevada City, despite the fact its editor has allegedly been the topic of some of his remarks offered as proof of personal prejudices. It has been, and continues to be, our aim to promote closer harmony between county officials and the people they serve and if possible encourage unity for developing the county rather than stirring up strife which will certainly result only in increased differences. Naturally we resent many things that have been said and done which have reflected without credit upon Truckee, its newspaper and its citizens as a whole, and if fighting back over trivial matters such as name calling and petty threats and accusations would gain a desirable end, it would be our duty and pleasure to do so. We like to take a view of the situation as it will affect everyone concerned and do not feel that we are turning the other cheek or backing up when we decline to enter into a squabble which can result only in increased bitterness and will not solve a thing.

At this season of the year, there is an open season on suckers and once more the itinerant chisler is abroad with his various "bargains" and "good deals" hoping to land his limit. Unfortunately, we never learn how to easily avoid these people, since they are well trained to present their project against unorganized resistance. We can only suggest once more that you do your buying and bargaining with local firms—with people you know—and not take a chance on being the victim of a hit-and-run peddler or "salesman" with his bag of tricks to extract your money from you.

## SHERIFF HOSKINS NABS FUGITIVES AT STATION HERE

Acting on information from the state teletype system, Sheriff Richard Hoskins yesterday afternoon took into custody and turned over to the Reno police two farm laborers from the Colfax area charged with the theft of a Reno municipal automobile.

The two, Norman D. Redmer, 26, and Emory L. Allen, 26, are both San Quentin ex-convicts, the Reno police said. Redmer was armed with a small calibre revolver. They told the Reno police that they had planned a burglary but backed out.

Hoskins was returning from a trip to Floriston when he was asked by the clerks at the quarantine station to check the car and occupants as answering the descriptions on the teletype broadcast.

## Three Wins in a Row For High Hoopsters

The Tahoe-Truckee High School basketball team wound up its season with three consecutive wins against industrial league teams from the bay area.

On Friday, March 3, the school boys downed the Concord 49er Nuggets 37 to 45 and the following night swamped the visitors 25 to 55. On Saturday, March 11, the local team downed a squad from Martinez by a single tally—70 to 71. In the last few moments of play, the Martinez boys came from 10 points behind to within a single basket of victory. This game was the last of the season for the local high school.

## Apartment is Re-Done In Telephone Buildinv

Jerry Zunino has completed rebuilding and refurnishing an apartment in his Telephone Building and the unit has been rented to Vincent Mistretta, proprietor of Truckee Meat Market. The three-room apartment has been modernized with electric heat, rebuilt and decorated and presents a pleasing appearance.

## Wilson Tells Of Plans To Seek Job As Justice

### Has Lived in Township "Off and On" Since 1912

Fosten W. Wilson, local deputy sheriff, this week took out papers to place his name on the June 6 primary election ballot as a candidate for justice of the peace of Meadow Lake Township.

Wilson first came to Truckee in 1912, staying until 1920. He returned to Hobart Mills in 1925 and made his home there off and on, working in the lumber industry, until the outbreak of World War 2. During the war he served in combat in Europe with the artillery. After his discharge, he returned to Truckee and established himself in business. He sold out two years ago to become a deputy sheriff.

Wilson is a member of the local American Legion, the Truckee Volunteer Fire Department and is chancellor commander of Summit Lodge, Knights of Pythias. A home owner here, the candidate is married and has two sons.

## Nettell In Race For Reelection

John E. (Jack) Nettell this week announces that he will be a candidate to succeed himself as Nevada County recorder for another term at the June 6 primary.

The incumbent says that it has been his pleasure to serve the people of the county as their "keeper of records" during the last three terms and if returned to office the same courtesy and reliability which has characterized this service will be continued.

In conducting the business of the office he has endeavored to show a willingness to be of service in the best interests of those having dealings of any kind with his department.

Added to the daily number of property transfers and court actions which form the nucleus of the recorder's work, he states that during and since World War 2 no small amount of time has been taken up in the recording and issuing of certified copies of dis-

## POLICE SCHOOL IS ORGANIZED FOR AREA'S OFFICERS

The first adult calss in peace officers training to be held in this area will be on Friday, March 24, at the Truckee Elementary School between 7 and 10 p.m., E. V. O'Rourke, district school superintedent announces. The course will take 30 hours and will extend to May 26. All peace officers in the area are invited to participate in the lessons.

Included in the subjects will be study of the penal code, laws of arrest, rules of evidence, collection and presentation of evidence, court appearances and conduct and note taking.

Those entered for the course who met at the high school yesterday to hear Charles E. Grant of the peace officers training bureau of the state department of education included C. A. Swanson, C. W. Vernon, Richard Lavery, Harry Johanson, Clarke Allen, James Baker, Thomas Sheehan, Glenn Jackson, D. J. Rich and J. N. Caughell, of Lake Tahoe; Gil Berg, Thomas Borneman, Roy Stallard, William Curran and James Leamon of Truckee.

## Baseball Club Practice At Verdi on Sunday

The Truckee-Tahoe Baseball Club will try to hold another team tryout and practice at the Verdi diamond next Sunday. The session planned for last Sunday was cancelled when storms made the diamond too wet to play on.

The practice will start at 1:30.

Those wishing transportation or having transportation available are asked to meet at the Truckee fire house at 1 o'clock.

## Former Truckee Man Is Critically Hurt In Collision

### Chester Zunino Reported Rallying at Hospital In Sacramento

Chester Zunino, 37, former Truckee resident and son of Jerry Zunino of the Truckee Shoe Store, is improving slowly in Sutter Hospital at Sacramento from critical injuries suffered in an auto accident last Saturday evening near Elk Grove.

Zunino, operator of the Shelton Club at Shelton, was hurt when the car he was driving and one operated by Thomas G. Lewis, 19, Porterville, collided at an intersection. Lewis was cited by the highway patrol for failure to give right of way. His car came onto the main highway and struck the Zunino car in the side.

Zunino suffered a broken right leg and right arm and had possible internal injuries and severe shock. He had not completely regained consciousness yesterday but was said to be improved slightly.

With Zunino at the time were Jesus Guterra, who is in the county hospital with a fractured leg, and Concepcion Luna, Elk Grove, who had minor injuries. Sgt. Aubry W. Brown and Sgt. William Balzano, both of Mather Air Base, were taken to the base hospital. Lewis was not injured.

Four local accidents were reported by the California Highway Patrol during the past week.

Jesus T. Mendes, 23, Truckee, was cited for driving without due caution by Patrolman William Gautsche after the car he was driving hit the rear end of one operated by Mable Lorbeer, 27, San Francisco, three miles west of Truckee Sunday at 12:10 a.m.

The Lorbeer car had stopped to repair a chain. Mendes and Jerry Brown, 26, Truckee, were treated for minor injuries.

Jack Hardee Jr., 23, Oakland, was injured near Farad when his car overturned on the icy pavement shortly after midnight.

John E. Watkins, 22, San Carlos, was cited for speeding by Patrolman Roy Stallard after his car ran off the road and was wrecked six miles west of Truckee Saturday morning at 2:15. Watkins was not injured, the officer said.

Cars driven by Leslie Hawkins, 25, Reno, and Maurice Black, 45, Sparks, were damaged when the former ran into the rear of the Black car at Hirschdale Saturday morning at 11:45. Patrolman Gautsche investigated and said the icy pavement was responsible.

## MRS. SCOTT HEADS CANCER DRIVE IN TRUCKEE DISTRICT

Mrs. Raymond Scott has been named chairman of the Cancer Fund drive which will get underway in Truckee on April 6 and continue throughout the month.

Others assisting Mrs. Scott will include Mrs. A. P. Leitch, publicity; Mrs. Royal Elf, treasurer; Mrs. David Anderson, Dr. L. D. Nelson, Mrs. Ethel Buell and Mrs. Milton Hogle, the latter representing the Donner Summit area.

An educational film will be shown for the public at the Wyethia Club house Tuesday, March 28, at which time Dr. Nelson will address the meeting. Everyone is invited and urged to attend this meeting which is of general public interest.

## OES Initiation Set For Tuesday Evening

All members of the Order of Eastern Star are invited to attend the next meeting of the Truckee Chapter on the evening of March 21 at which new candidates will be initiated. Refreshments will be served and a very enjoyable evening is anticipated. The 1950 officers are looking forward to a large attendance of members and visitors throughout the year.

## Sierra Tunnel Proposal Discussed at Lions Club

James Sherritt of Donner Summit gave an interesting talk on the proposed Southern Pacific tunnel under the Sierra summit at the meeting of the Lions Club last night. Sherritt has made a thorough study of the survey made several years ago for the SP by the Henry Kaiser Company.

Guests at the meeting included Coroner Alvah Hooper of Grass Valley and Al Rogers of Reno.

**INSTALLED**

John P. Tuohey was installed as vice grand of the Truckee Odd Fellows lodge at its meeting on Tuesday night.

## Summit Scene

by FRAN COUILLARD

This past week closed on as impressive a ceremony as the mountain has ever witnessed. Over 100 skiers from all parts of the world brought down the rafters at the Ski Ranch with their "Ski Heils" as they broke bread with American teams at a banquet Sunday evening, Stan Walton's contribution toward the entertainment of the foreign visitors. The inimitable Hannes Schroll as the master of ceremonies, the quiet prettiness of Louise Hooley at the head table, the booming voice of Milton Zimmerman of the Far West Ski Association, the impressive speech of John Preston as he presented medals and trophies to the foreign winners, the greeting of Madylon Walton as hostess of the Ski Ranch all added up to a real occasion.

The job of playing host to so many foreign entrants was a great one but the Summit area banded together to put out the glad hand to the extent that Western Hospitality should long be remembered by these foreign lads and lasses who trekked across an empire to get their first view of the finest the west has to offer. All entrants were complimented by food and lodging by resorts in the area, each lodge taking a certain number of them to entertain during their stay. Wednesday night Bud Horak of Donner Summit Lodge complimented press and foreign racers wtih a huge buffet supper. Saturday night Chet Emmons of Donner Lake Lodge put on a wing ding for his foreign guests.

Station wagons from the Sugar Bowl, Donner Lake Lodge and other places were driven to Sun Valley to pick up these teams from abroad and bring them to the area. Reno entertained them en route and with the exception of Saturday night, the night before the terrific race when all required rest for the ordeal, each and every hour was devoted to entertaining. It was a tired Jerry Hiatt, Sugar Bowl director, who bid the delegation he had worked so hard to get for California goodbye Sunday night after the banquet.

Next Sunday's event, the Donner Trail Memorial race, that gruelling 22 mile cross country affair, also brings foreign teams into the area. Senator Harold Johnson and Assemblyman Francis Lindsay will be on hand as judges. Starting time at the Summit is 10 a.m. and the caravan of cars will start down the highway with the racers to stop at Rancho Sierra at Emigrant Gap for the finish. We still have our money on Stig Bentgar of Ice Lakes who took top honors for Ice Lakes as winner in the Snowshoe Thompson. Ruth Raagstad, also of Ice Lakes, practices daily anr thus far we believe she is the only woman entrant. Refreshment stations are in the process of being set up to give energy building food to the contestants as they laboriously forge toward the finish line.

Two local entries will be that tough, wiry little Finn, Toy Aro, who uses his cross country narrow slats in his daily work of setting out trap lines, and Max Williamson of the Tahoe National Forest Service. Ernie Nordstrum, who proudly displays one of last year's trophies on his back bar at Ski Hi, will also tackle it again this year. We can't get a commitment from Maria Schuster, but as she is busy commuting back and forth to her family home in Carmel due to the illness of her father, we don't believe she will run. Godie Schuetz, who directs the Soda Springs Ski School, has also signed an entry blank.

Some of the National Slalom entrants are remaining in the area to enter while others remain to witness the race so a midweek of carnival goes on for further entertainment. Contributing to the midweek fun are Ski Inn, Beacon Hill, Donner Summit Lodge, Soda Springs Ski Corporation, Rancho Sierra and Rainbow Tavern. Something doing all week.

It's good to see Dick Buek back in these here hills after his smashup in Banff where he went as a Sun Valley representative to compete in the North American championships. Dick still isn't feeling tops but is gradually improving.

We helped entertain Jerry Carpenter of the California State Chamber of Commerce this past weekend. The Giant Slalom was important enough to get him away from his busy desk for the weekend. Jerry was a guest at Donner Summit Lodge.

We see Wanda Misener, Peg Travis and Eve Donadio with their heads together. Think it is the shower for Betty Horak geting underway. While we speak about it, the Neugebauer captain has arrived and will be lustily coming up the mountain with his mother.

We leave our typewriter to look through some stored boxes of books for Art comes home from Rotary Club meeting and states that beside making an excellent talk, Superintendent Everett O'Rourke of the Tahoe-Truckee School District promises the area a library in the new high school. Books will be needed but consult the librarian to be before you start clearing off your shelves for the donations.

Bud Zorich and Godie Schuetz come in to tell of the progress being made by the Donner Trail Elementary School kids with the skiing lessons that the Soda Sprngs Ski Corporation give the school kids twice a week. Speaking of one particular day, a real cold one when skiers stayed indoors rather than brave the chilling winds, the double chair lift was put in operation to accomodate the sturdy school kids alone. Won't be long before we'll have our own champions to send to the far corners of the world for competition. Think Marles Rau is about ready to go now. What grace and speed this youngster has developed. Kit Schull and Ronnie Rau are way up there—young daredevils.

## AUSTRIANS SWEEP EVENTS SUNDAY AT SUGAR BOWL

NORDEN— Clear blue sky and a windless day greeted racers at the Sugar Bowl when they awoke Sunday morning for the National Giant Slalom. Stormy weather, which hampered the racers in their training, seemed not to affect them as they roared down the mile and a quarter course. Except for a few very steep places where the snow was scraped off, the course conditions remained in powder snow throughout the entire race.

Twenty-one women and 47 men started. The giant slalom course contained many points of interest such as steilhungs, cornices, bumps, catwalks and banked turns. None of this seemed to slow the Austrians who swept the first three places in both mens' and womens' divisions.

First place in the women's division went to Resi Hammerer of Austria with a time of 1:23.2. Erika Mahringer, with a badly sprained ankle, won second place but two-tenths of a second behind Resi. Third place went to Lydia Gstrein of Austria with a time of 1:25.

The many obstacles over which the skiers had to travel did not hamper Hans Senger of Austria from cutting every jump, prejumping every bump and checking in the proper places. He traveled the course in 1:13. A full two seconds behind his teammate was Edi Mall. Third place went to Christian Pravda of Austria with a time of 1:16. The first U. S. skier to finish was Mel Dalebout of Salt Lake, who finished 11th. Despite the numerous and heart breaking spills, there was not one single accident.

The Austrian manager, Ernst Skardasy, was quoted as saying that the National Giant Slalom course at Sugar Bowl was the finest the Austrians had skied on in America. He said the use of the terrain with the placement of the gates and proper speed made the race which not only had to be memorized in ragard to where the skiers had to turn but also to judge the speed with which they could travel.

Other foreign nations represented in the meet were France, Canada, Norway, Sweden and Chile.

## Canadian Skier Wins Ski Ranch Slalom

SODA SPRINGS— Gar Robinson of Canada and Squaw Valley won the international slalom last Thursday at Donner Ski Ranch. Alan Fisher of Sun Valley was second and Hal Codding of Reno was third. Bud Zorich of the Soda Springs Ski School placed 7th.

Represented in the meet were teams from Sweden, Canada, Sun Valley, Squaw Valley, Mt. Rose and Chile.

In the women's event Brynhild Grasmoen was first, Joan Law ot Elko second and Miss Macomber of Aspen third.

## Oakland Driver Fined In Tahoe City Court

TAHOE CITY— Kenneth Lowry of Oakland was fined $50 last week by Tahoe City Justice of the Peace C. W. Vernon for excessive speed. The violation was blamed for an accident in which Lowry's car collided head-on with that of Niles N. Miller of Orinda. The accident, which occurred on the Truckee-Tahoe February 1 involved three cars.

Lowry, who pleaded not guilty to the two charges, excessive speed and driving on the wrong side of the road, said he saw a parked car and people of the road as he turned a corner and had to turn into the wrong lane where the collision occurred. He blamed skidding on ice for his inability to stop.

Dismissing the second charge, and weighing the accounts of witnesses, Judge Vernon found Lowry guilty on the speed count.

## CANCER CRUSADE TO BE HELD IN LAKE TAHOE AREA

TAHOE PINES— This year, Placer County and the Lake Tahoe area will participate in the annual drive of the American Cancer Society to raise funds to be used in the fight against cancer, one of the dread diseases of modern times. Mrs. John D. Burns of Tahoe City is campaign chairman in this area and is organizing a group of workers to canvass all the residents so that all may take part in making the drive a success. District chairmen and their workers will be listed as soon as the organization is completed.

On Monday, March 27, at 7:30 p.m. an educational cancer film, "The Web of Life", will be shown at the Community Center in Tahoe City, with Dr. L. D. Nelson of Truckee giving a talk and all are urged to be present.

Superintendent E. V. O'Rourke has pledged full cooperation through the programs in the schools of the Tahoe-Truckee Unified School District so that the younger people may share in making the Cancer Crusade, which begins on April 1, the success it deserves to be.

## South Tahoe Town Sold for $100,000

MEYERS— This entire town has been sold. Meyers is a small town, with a population of 60 in the summer and 12 in the winter when snow comes to the south end of Lake Tahoe. Notwithstanding, Mr. and Mrs. O. E. Saugstad of Roseville paid $100,000 for it.

The sale includes 1700 acres, a hotel and cagins, coffee shop, general store and meat market, service station and a lumber and building supplies establishment.

The new owners plan to subdivide the acreage and develop the area for winter sports.

## Tahoe Red Cross Drive Still Short of Quota

TAHOE CITY— The second week of the Red Cross drive in Tahoe City finds the total receipts at $736.50 of the $1050 needed to reach the quota. With the scheduled close of the drive near at hand, residents of the area are urged to make their donations soon. Contributions will be accepted by Mrs. Phil Geier, chairman of the drive in the Tahoe City area.

## TAHOE AREA J.P.'S TO GET PAY HIKE AFTER THIS TERM

AUBURN— The Placer County board of supervisors last week approved increases in salaries for justices of the peace within the county. Justices at Tahoe City, Kings Beach, Forest Hill and Lincoln will receive boosts in pay of $50 a month while those in Auburn, Roseville, Alta, Loomis, Colfax and Newcastle will go up $75 monthly.

District Attorney C. E. Tindall was directed to draw up the necessary ordinance, which will go into effect next January when the new terms of the justices begin.

### TO LAS VEGAS

Mr. and Mrs. Carl Wheat returned to Tahoe City from an eventful trip to southern California where they enjoyed visiting relatives. They have left for Las Vegas, Nevada, where Wheat has accepted a position in a large building project but they hope to return to the Lake by summer.

### Home Again—

Floyd Carnell returned to his Tahoe City home Tuesday after visiting in San Francisco for several days.

### House Guests—

*Best way to spruce up a telephone is with a soft, dry cloth...never with water, or any other liquid.*

HOW TO TREAT YOUR TELEPHONE
Suggestions to help protect your service

1. A twisted cord can lead to trouble. Although the wires are especially designed for flexibility, too many twists and kinks may eventually break them and interfere with service until a repairman can call. Good idea to get the curls out by letting the receiver dangle and unwind by itself . . . then keep them out by remembering, each time you call, not to put turns in the cord as you handle the receiver.

2. It's built to take it . . . but your telephone can develop ailments if it's dropped. So make sure the stand it sits on is solid and is in a spot where it won't be accidentally bumped. Other ways to help protect service: Avoid "gadget" attachments for your telephone . . . keep cords clear of doorways where they may be pinched . . . and always keep water away from wires and fittings.

3. Did you ever stop to think that your telephone is one service or piece of equipment in your home that's repaired and maintained for life at no extra cost to you? This maintenance is one of the values included in the rates you pay for service . . . rates that make it one of your really good buys today.

Your telephone is one of today's best bargains

## JUNIOR SKI MEET AT TAHOE CITY ON NEXT WEEKEND

TAHOE CITY— Lake Tahoe Ski Club's annual junio meet, scheduled for Saturday, March 18, on and about the Tahoe City Ski Hill, will be a break for the younger skiers. In both girls' and boys' events, two age classes will be represented. One will include those between 12 and 14 and the other will include all under 12.

For each of the two boys' age groups will be four events and combined. The events and starting times will be, downhill, 9 a.m.; slalom, 11 a.m.; jumping, 1 p.m. and cross country, 3 p.m. Contestants may enter any number of the events for each of which prizes will be awarded to the first three places in each age class. In addition to the 24 prizes for these events, there will be a trophy to the four-way combined winner in each class.

For the two girls' groups will be downhill racing and slalom. Again, prizes will be awarded to the first three places in each group for each event.

For all contestants, sack lunches will be served on the hill at noon by members of the Lake Tahoe Ski Club and the Tahoe Lake School PTA.

A banquet for all contestants and their sponsors will be served at 6 p.m. at the Tahoe Lake School by the ski club and the PTA under the direction of the club's secretary, Mrs. J. Stuart. At the banquet, trophies will be presented by Tournament Chairmen Carl Bechdolt Jr. and Ray Fellows.

Early entries include some of the top junior skiers of the Lake Tahoe Ski Club; Lewis Fellows, who took this season's FWSA downhill, slalom, jumping and combine meet firsts; Jerry Quam, first in the Snowshoe Thompson jumping, third in FWSA combine; Leonard Fuson, second in junior combine, Nevada State Championship meet; Donald Stark, second in Class D jumping, Snowshoe Thompson; Jay Stuart, third in White Hills Class D jumping.

With the entry list as yet not complete, others already entered are Phil Ebe, Penny Jenkinson, Clayton Frey, Darryl Stark, Rex Donaldson, Donna Mae Porter, Robert Huega, Robert Porter, Richard Johnson, all of Lake Tahoe Ski Club;

Mary Ann Tonini, George Gregory, Alberta Cooper, Ruth Osburn, all of Truckee; Dick Dorworth and John Robinson, While Hills;

Tom Sheehan, Jack Shults, James Boyce, Madeline Tschopp, Delia Tschopp, Jerry Johnson, unattached.

Competitors need not be affiliated with any ski organizations. To enter, the skier must be under 15 and must have completed the application form which includes the parents' consent for participation in the various events. For planning lunches and the banquet, the ski club hoped to have all entries in by Wednesday, March 15.

### POWER SHUT OFF

TAHOE CITY— Local residents were advised Monday by the Sierra Pacific Power Company that electricity would be shut off from about 9:30 a.m. to 3:30 p.m. Tuesday, March 15. Reason for the shut-off, new lines with a greater load capacity were set up while the old, lower voltage lines were torn down.

## Postponed Ski Meet Is Set for March 26

TAHOE CITY—The Lake Tahoe Ski Club members were informed at their Friday meeting that the requested March 26 date for their FWSA-sanctioned ski meet had been approved and other clubs and competitors were being so notified. The meet, which had been scheduled for March 5 but which bowed out to a surprise blizzard, is a two-way combined including jumping at Olympic Hill and an eight-mile cross-country race in the vicinity of the Tahoe City golf course.

## TAHOE PEOPLE TOLD SNOW REMOVAL IS LOCAL PROBLEM

TAHOE CITY— A recent meeting on the snow removal problem in the Lake Tahoe area, which brought together the Rotary Clubs of Tahoe City and Kings Beach with a committee of Placer County officers, was concluded with the belief that if any relief on the issue is to be realized in the near future, such relief will be paid for locally.

The meeting and luncheon was held at Tahoe Inn Friday, March 10. Representing the county were District Attorney C. E. Tindall, Road Commissioner Fred Ervast and Supervisor Frank Paoli. The Tahoe City Rotary's committee members were C. W. Vernon, Steve Korich and Ken Steddom. On the committee from Kings Beach Rotary were Tom Lucas, Elmer Stokes, Dr. H. M. Holmes and Don Barkhurst. Many businessmen from the areas concerned were also present.

On the question of more extensive county snow removal, Ervast pointed out that county funds were limited for this purpose and would not permit buying of new equipment needed. It might take up to five years to purchase the minimum essentials, he added. Technically, county equipment is to be used only on county-maintained roads and when used on other roads not only is the added load too much but risk of damage to the equipment is high. Many local roads are not capable of supporting the heavy equipment. One instance of this was the two-week lay off of the county rotary plow which broke an axle on such a road this season.

Several proposals were made by the local committees on the forming of a local road improvement district, the cost coming from increased taxes on the properties served. Suggested district would run from the Nevada state line to the Placer-El Dorado line near Tahoma. Tindall stated he would check into the legal aspects of this and other plans and assist in the preparation of a petition for local circulation, "Subject: Shall a Road Improvement District be Formed Between the Nevada State Line and the Placer-El Dorado line, financed by local property tages?" Many present, anxious to alleviate the past snow removal problems, were willing to pay, in such a way, to guarantee adequate local service.

### SEEK REELECTION

SACRAMENTO —(W. N. S.)— Sponsor's certificates for reelection were on file with the Sacramento County clerk here from Charles G. Johnson, state treasurer, and Frank M. Jordan, secretary of state.

The two veteran state officers filed on both the Democratic and Republican tickets.

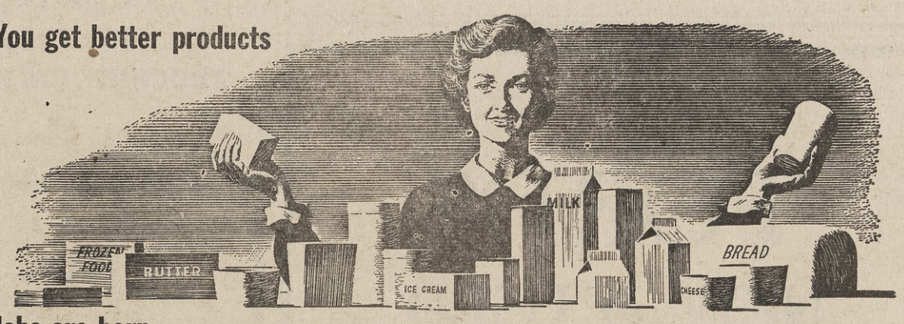
You get better products



Jobs are born

Money spreads and people prosper

Three things happen when earnings go to work
There has been a growing need in the West for wax . . . the kind used on milk cartons, bread wrappers and containers of other foods and drugs you buy.
To fill this need, Standard of California recently completed a plant which refines excellent wax from petroleum. The plant cost $3,500,000; the money came out of earnings—or profits—and here's what it meant to you:
Better protected and packaged products, of course. More jobs for construction workers in building the plant; steady employment for the men who work in it today. More sales for small businesses because the money paid to the workers involved has naturally spread to the grocer, the department store, the doctor and every other business and profession.
This is one example—a 3½ million dollar example—of how earnings are put to work and keep our economy running. There are many others, for Standard of California has spent more than $500,000,000 just since the war for plants and facilities to serve you better.

**CLASS REPRESENTATIVES**
—by Sharon Pace

Last Thursday, in Mr. Welch's room and Mr. Kishbaugh's room students had elections to see who would be the representatives for those rooms. In Mr. Kishbaugh's room those chose are Susan Knoefler and Linda Loynd. In Mr. Welch's room the representatives are Mary Ann Tonini and Lois Grey. In Mrs. Brown's, Mrs. Gage's and Mrs. Borneman's rooms they have not had their elections yet.

**COME TO THE CARNIVAL**
—by Joan Ward

The 7th and 8th grades have been given permission to have a booth at the high school's Carnival which will be held at the Capitol Hall March 25. During the evening Ruth Osburn, Lois Grey, David Peterson and Louis Ramirez will be responsible for the booth. Margie Osburn, Joan Ward, Ernest Towler and Raymond Dixon will be responsible for decorations. We wish to thank the high school for the space for the booth and wish them success in the forthcoming Carnival.

**ART AT SCHOOL**
—by Ernest Towler Jr.

Students in Mr. Welch's room are starting to receive art lessons, being given by Mrs. Phipps. The first art lessons were done in pencil. The second lessons were done in water colors. After those we tried to paint more difficult pictures. They included pictures of deer and of the forests. We hope the lessons will continue and turn out successfully.

**SKIING DELAYED**
—by Alberta Cooper

The Truckee grammar school and high school were not able to go skiing last Wednesday on account of the storm. The children were quite disappointed because they had brought all of their equipment and could not go to Squaw Valley.

**BROADJUMP PIT**
—by Eugene Carrillo

Louis Ramirez, Duane Knight, Raymond Dixon and Eugene Carrillo are making a broadjump pit for the high school and grammar school. The pit will be 20 feet long, 6 feet wide and 18 inches deep. The runway will be about 150 feet long. The pit will be filled with sand or sawdust.

**KNOW YOUR NEIGHBOR**
—by Lois Grey

Your neighbor this week is Ruth Osburn. Ruth was born on July 17, 1936, at Colusa, Calif. She is the oldest of three children. Ruth has grown into a nice looking girl of 13. She is 5 feet 2 inches, has blue eyes and brown hair. She is in the eighth grade and plans to graduate at the end of the school term. Her high school years will be spent in Truckee.

Ruth's hobby is art. For sports she likes skiing and horseback riding. She likes popular music also. Her main ambition at present is to become an airline hostess.

**PERSONAL NOTES**
—by Roberta Peden

Marjorie and Marie Osburn went to Squaw Valley Sunday.

David Germain went to Reno Friday.

Joyce Sowerwine expects to be moving to Texas in about two weeks.

Irene Goicoa was a Reno visitor Saturday.

**NOTES OF THANKS**
—by Marie Osburn

During this year at different times people in this community have contributed their time and efforts to help us here at the elementary school. Women from the PTA have come to help in the cafeteria, where on the average about 90 children eat daily. A person who has helped us greatly through his business is Mr. Barrett, who has let us put articles in the Sierra Sun each week. Mr. Curran of the Forest Service and Mr. Borneman of Fish and Game have showed moving pictures to us on conservation. Two lumber companies, Donner Trail and Truckee-Tahoe, let us use samples of wood to help our conservation program. Mr. Berliner from Nevada City came and gave a very interesting talk on the federal census.

Pupils of the Truckee Elementary School are very grateful to all these people and we wish to thank them for their time and their contributions.

Production of commercial minerals during 1947 was reported from every one of California's 58 counties.

# North Tahoe

by T. BURROUGHS

**"Pardon! Your slip is showing!"** Laughed many of my friends over last week end. I didn't know that our little North Tahoe section of the Sierra Sun is so widely read until the jibes started rolling in shortly after the paper came out with that slip about the Harold Smiths of Smith's Coffee Shop over Homewood way being of a mind to return to the lake right away and get "married." The Smiths want to do some renovating around their place of business and plan an early return to the lake to get started but have been happily married many years. Excuse us, Mr. and Mrs. Smith. To the rest of you, we hope you will continue to read the Sierra Sun as diligently as you have and thanks for your calls of correction.

**The Pete Sederbergs** of Homewood brought over another family of Smiths—Dr. and Mrs. Lawrence H. Smith and their son, Roger, all of Sacramento. Roger is just about grown and how that boy loves books! He made use of the library while his parents did a little folk dancing at The Burroughs.

**The nicest letter** came this week from my good friend Winifred Rapier who, with her husband, Carroll, is wintering at Fullerton. The Rapiers plan to return to Tahoe around the middle of April and their only regret is that they cannot enjoy their television up here. There will be so many other interests around youur Tahoe Vista home, Winifred, that you'll never miss television. Nell and Don Barkhurst had visited the Rapiers along with Bertha and Gil Ballard, away back in February.

**Dorothy O'Brien** breezed up for overnight from the bay area where she is teaching, taking an extension course and looking out for her perents.

**Don't forget** the PTA St. Patrick's dance at the Carpenters' Hall next Saturday night. Mrs. Abbott and Ruth Lavery are making the cutest little white and green hats which will be given for "the wearing of the green" while dancing. Everyone come and have fun! Admission is 75 cents per person of $1.50 per couple. Proceeds will be used to pay for the kiln now in use for the ceramics classes in the Kings Beach School.

**Raymond Martin,** son of Winona Hall, called his mother from San Diego last Sunday to say goodby as he is being transferred to Charleston, S. C., effective March 17. Martin recently graduated from Navy Hospital Training in San Diego with a 92.2 average.

**Brockway Rotary Club** held its regular meeting last Monday evening at the Tahoe Vista Resort dining room. Program chairman, Rube Welch, secured movies of that important Pan American highway through the courtesy of the horticultural department of the University of Nevada.

k T,heyp"U" Tzx. tC-CC-a.p,o-

**The Girl Scouts** Lone Troop No. One of Kings Beach enjoyed dancing at Tahoe Vista Resort last Monday evening. The dance committee, Patsy Meisenheimer, Ella Mae Mercer, Jeanne Rood, Diana Abbott, Diane Rutledge and Karen Decker, did a fine job. Sandwiches, soft drinks and cake were sold. The Girl Scouts of Tahoe were invited but could not attend due to weather conditions. Young gentlemen escorts were Hugh Van Hooser, Mike English, Dale Rutledge, Dicky Rood, Dick Mandeville, Jimmy Crawford, Jay Mandeville, Jack Van Hooser, Jimmy Dickow, David Miles, Bill Port, Carroll Ballard and Clyde Mandeville. Chaperones were Dr. John Keys, Charles Chubb, Mrs. Arney, Audrey Welch and Minnie Wagner.

**A Low 12 dinner** was enjoyed last Sunday evening at Carson Hot Springs by Messrs. and Mesdames Fred Miller, Claire Walters, Bert King, Roy Porath, Peter Svendsen, Snowden Burch, Don Barkhurst, Ike Miles, Noel Hulbert and couple of their friends from Gardnerville.

**Mr. and Mrs. Tony Gallerani** are at home with their infant son, Terry, who arrived December 31. The Galleranis went out for the winter, spending some time in Palm Springs before going on to Arizona.

**Mr. and Mrs. Tom Thatcher** have returned from a brief business trip to San Francisco.

**Bonnie and Bill Bates** left last Sunday, accompanied by Virginia McCoy and son, for Carthage, Mo., where Bonnie and Bill have business to attend to and expect to be away several weeks.

**Harry Charrison** and Robert Palmer are preparing an Easter drama which will be presented at 11 a.m. Easter Sunday at the Carpenters' Hall in Kings Beach.

**Grace and Tom Bowman** of The Gables must have had their rabbit's foot along last Thursday coming in from Reno in that snow storm when their car overturned near Incline Beach with no appreciable damage to the car nor injuries to themselves.

**Ann Woodland** of Hillsborough was up last week and had as her guests Mrs. Viola Hoff and her mother, Mrs. Anne Caesar. Mrs. Woodland has a lovely summer home at Tahoe Vista.

**Karen Decker** and Davy Ashton celebrated their birthdates last week with a joint party at the Decker home.

**Florence Vernon** and Bert Watson were to have celebrated their birthdates jointly on Tuesday evening, March 14. Bert was too ill to attend and Florence entertained a number of friends with canasta. Refreshments served later brought the party to a close around midnight. Those present to wish her happy birthday were Ruth Mayfield, Glenn and Edna Miller, Terry Hill, Fleurette Rosenblatt, Bob and Ann Simpson, Alva Perkins, Helen Rosenblatt, Irvin and Louis Rosenblatt, Fred Morrison, Celeste and Vern Daniels, Ruth Hoffman, Marie Henry, Laverne Record, Ben Jones, Mack and Thelma Burroughs.

established familites, he has given time and ability to civic, educational and fraternal life. His high school graduation in 1932 was followed by college education and he received his degree from the University of California in 1936.

Upon returning to his native city, Tamblyn divided his time between teaching part time at the high school there and assisting in the operation of the old Nevada Theater, in which the family had interests.

With the sale of the theater, he was able to enter the county assessor's office and since 1943 he has advanced to chief deputy.

Tamblyn is married and the father of four children. Mrs. V. C. Shattuck is a sister of the candrdate.

Fraternally he is affiliated with the Masonic orders and the Elks, having served as exalted ruler of the latter.

In his eight years in the assessor's office with Scadden, Tamblyn has been thoroughly acquainted with administration and procedure of the office.

## My Place In the Sun

by DOUG BARRETT

Seeing Della Burlingham and Claire Ellert walking down the sidewalk together reminded me of an old picture I ran across in a 1930 Truckee Republican.....showing two telephone operators in the Truckee exchange of 1912.....the girs who posed for the picture are—you guessed it—Della and Claire.....Maude Gaffield tells me she got up at 4 a.m. Sunday and kept moving around to keep warm .....hit 18 below zero at the Fly-casting Club.....At the fire department meeting Tuesday we got to talking about old cinema theaters in Truckee.....found one used to be located where our office is now.....which explains the pencil notes on the back of the door between the shop and the stock room.....such as "Ping, the best piano player this side of Polaris", "The Paramount Lobby" and a couple of "Elden Tonini"s.....also the transparent "EXIT" sign in the partition over the wash basin .....Jack Wolert clambering about the rafters as he and his crew tears off the old porch in front of Cabona's.....with his cigar firmly clamped between his teeth..... Muriel Frey syas spring has sprung.....and brought me in a couple of those miniature pansies that bloomed in her yard to prove it.....They tell me Humbert (The Moose) Ciardella has been added to the staff of the Bank of America branch here.....Those phoney proboscises, which Charlie Heller was selling for 98 cents each, caused a minor sensation in town yesterday when several of our leading lights bought and wore them.....Vern Shattuck used his to startle the ladies of Wednesday Eightsome bridge club, meeting with his missus.....Don't forget the PTA card party Satd'y night.....

## Navy Reserve Meeting Tonight at Vets' Hall

Naval Reserve Electronic Warfare Platoon 12-8, located at the Veterans Memorial Hall, Truckee, will hold a regular meeting at 7:30 o'clock tonight.

Chief Radioman G. H. Hazelrigg, representative of the 12th Naval district headquarters in San Francisco, will be present to assist reservists of the area.

All members of the Naval Reserve and any others interested are invited to attend. All reservists will have an opportunity to advance in rank or rating and acquire points for retirement eligibility.

This unit has been meeting for some time and is equipped to carry out training in communication and electronics ratings. All members of Naval Reserve are eligible for membership.

There is a need for officers to handle personnel administration, training schedules, and executive officer duties; personnel trained as radiomen, electronics technicians, yeomen, storekeepers, and instructors for seamanship. Equipment now on hand includes radio receivers and transmitters, electronic test equipment, and many supplies to be used for training purposes.

No active duty naval personnel will be stationed in Truckee and no uniforms will be issued. The unit membership will consist of local personnel. This unit is one of 90 in the 12th Naval district. Each is equipped to carry out emergency communications and assist where ever possible in the event of local disaster.

## International Program At Meeting of Rotary

Three students from the Near East gave talks on the political advancement of their home countries at Monday night's meeting of the Truckee Rotary Club. Introduced by Paul Jensen of the University of Nevada, the trio included Madhu Sappre, Bombay, India; Manoutcher Motamed, Tehran, Iran, and Tahsin Karacaben, Ankara, Turkey. Also on the program was Godie Schuetz, the yodeling Swiss. Ernie Tschopp was program chairman and John Ciardella presided.

During the meeting, James Sherritt was named as president for next year. The new term will start in July. Visiting Rotarians were Pete Land, Loyalton; Steve Korich, Bruce Kuehn, Al Snyder and Don Snyder, all of Tahoe City. Frank Soule of Orinda was a guest of the club.

**SON IS BORN**

A son was born Monday, March 6, in Reno to Mr. and Mrs. Jack Neugebauer of Norden. Neugebauer is employed as yardmaster with the Southern Pacific at Truckee.

# Tarzan

by EDGAR RICE BURROUGHS

CHAKA, POINTING TO THE SNAKE SYMBOL ABOUT TARZAN'S THROAT, SCREAMED THE DREAD CURSE OF THE DAGOMBAS AND COMMANDED THE SUPERSTITIOUS NATIVES TO ATTACK HIM.

CLEVELAND'S SHOUT OF TRIUMPH TOLD TARZAN THAT THE WARRIORS WERE IN NO MOOD FOR EXPLANATIONS. THEY ATTACKED WITH SAVAGE FEROCITY.

SNATCHING A CLAWING NATIVE OFF HIS BACK, HE USED THE MAN AS A FLAIL TO SWEEP A PATH TO THE WATER'S EDGE.

IN THE CLOSE-PACKED, TWISTING MASS, THE APE-MAN BEAT BACK HIS ATTACKERS WITH A FURY BORN OF JUNGLE DESPERATION.

SUDDENLY TARZAN SHOOK HIMSELF FREE. WITH A SINGLE BOUND, HE TOOK OFF IN A LONG FLAT DIVE.
